

Middle Earth Journey's Program

Virtual Center!!

Starting Tuesday April 7th the Middle Earth Bound Brook Drop-in Center will be using Zoom (a video conference app) every Tuesday and Thursday at 3:30pm to stay in touch with our youth. We understand this current situation is difficult and unusual but we are here to support students and families as much as possible. We are currently thinking of creative ways to not lose touch with our youth.

- Emotional Support
- Online Group Activities
- Life Skill Groups
- Games and more!!!
