HARASSMENT,  
INTIMIDATION, BULLYING  
(HIB) IN SCHOOLS  
By Adam Raphael

# LEGAL DEFINITION OF HIB

- HIB means
- Any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or series of incidents, that:
- Is reasonably perceived as being motivated by any actual or perceived characteristic such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical, or sensory disability, or by any other distinguishing characteristic;
- Takes place on school property, at any school sponsored function, or off school grounds as provided for in Section 16 of PL 2010, c 122;
- Substantially disrupts or interferes with the orderly operation of the school or the rights of other students;

## AND THAT

- A reasonable person should know under the circumstances, that the acts will have the effect of physically or emotionally harming a student, or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his person or damage to his property;
- Has the effect of insulting or demeaning any student or group of students;  
or
- Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

# OVERALL GOAL OF HIB REPORTING

- The push for this initiative is to make bystanders as responsible as those directly involved in HIB incidents.
- All school personnel (ex: students, teachers, school volunteers, etc.), must report incidents of HIB as soon as they happen.
- Banding together as an entire school community against HIB will strengthen the movement to get HIB out of our schools.
